## INVESTING IN THE FUTURE OF PROPERTY LEADERS

The SAPOA Bursary Fund is funded primarily by SAPOA members. External bursary funding from any non-member companies and Government will be welcome as it will assist in transforming the Commercial Property Industry and up-skill the nation.

#### Objectives

- To transform the Commercial Property Industry demographics to reflect the population demographics in South Africa.
- To redress the past by offering black disadvantaged individuals funding for property related education.
- To have financially sound solid governance structure and processes.
- Promote the Commercial Property Industry at both school and tertiary levels to students from black disadvantaged backgrounds to ensure growth into the future.
- Address the current and future skills shortage levels in the Commercial Property Industry.
